PROPOSAL KONSEP PENGEMBANGAN WEBSITE PT. SERVISTAMA PRO INDONESIA

Authorized Dealer Service & Warranty Heavy Equipment – XCMG Brand

KONSEP BESAR (BIG CONCEPT)

Tema Website

"The Future of Smart Heavy Equipment Service"

Website PT. Servistama Pro Indonesia tidak hanya berfungsi sebagai Company Profile, tetapi menjadi **Digital Service Platform** yang mengintegrasikan informasi perusahaan, layanan purna jual (After Sales Service), warranty management, customer portal, digital maintenance, dan knowledge center dalam satu ekosistem digital.

Website harus mencerminkan perusahaan sebagai:

- Technology Driven Company
- Professional Mining Service Partner
- Trusted Warranty Specialist
- Smart Maintenance Solution Provider
- Digital Service Company

Tagline

Smart Service. Maximum Uptime. Trusted Performance.

TUJUAN PENGEMBANGAN WEBSITE

1. Meningkatkan citra profesional perusahaan.
2. Memperkuat branding sebagai Authorized Dealer Service XCMG.
3. Menjadi pusat informasi layanan purna jual.
4. Memberikan kemudahan pelanggan dalam mengakses layanan.
5. Meningkatkan kepercayaan pelanggan melalui transparansi layanan.
6. Mendukung pemasaran digital (Digital Marketing & SEO).
7. Menjadi pusat komunikasi antara perusahaan dan pelanggan.
8. Menjadi platform digital untuk pengelolaan warranty dan service.
9. Mendukung transformasi digital perusahaan.
10. Menjadi fondasi menuju Smart Mining Service Ecosystem.
